Traffic Building Initiatives:

- **Lunch Vouchers:** All scientific attendees will receive 2 complimentary lunch vouchers redeemable for lunch served Monday and Tuesday, between 12:15 - 1:45pm, in the Exhibit Halls 2-3. Each vendor will receive two boxed lunch vouchers per contracted 10 x 10, 1 for Monday and 1 for Tuesday. The AAPM Main contact will receive an email with instructions on how to receive the tickets.

- **Refreshment Break Schedule**
  Sunday, July 14 - 12:30 pm – 1:00 pm / 3:00 pm – 3:30 pm
  Monday, July 15 - 9:30 am – 10:15 am / 3:45 pm – 4:30 pm

- **Dedicated Visit the Vendor time slot:** There will be no scientific sessions slated on Tuesday, July 16 (9:30 am - 11:00 am)

- **ePoster lounges:** To increase exhibit hall traffic, we will be incorporating six ePoster lounges next to each Refreshment Break lounge throughout the exhibit hall. During each refreshment break time, an e-poster session will be held in each e-poster lounge.

- **Partners in Solutions program** will take place in the Exhibit Hall. This program continues to offer a unique way for physicists to interact with and learn from our vendors, with vendors providing physics-level applications training classes in a special-purpose lecture room located on the exhibit floor. These are not sales pitches, but practical information for the clinical physicist from the people who know their systems in depth.

- **Educational Topic-Specific Guided Tours**
  - Small groups, approximately 10 attendees per group, will be guided through the Exhibit Hall by an AAPM-Member. The groups will visit participating exhibitors, spending 10-15 minutes at each exhibitor’s booth.
  - The Guided Tours are around clinical topics chosen by the AAPM Technical Exhibits Subcommittee.
  - Attendees who participate in the Guided Tours will be given the opportunity to earn self-assessment (SAM) continuing education credit for participating.

- **Attendance Participation using Beacon Technology:**
  - AAPM will be using beacon technology to monitor session attendance and traffic patterns throughout the meeting space.
  - A beacon chip will be attached to the name badge of all registered SCIENTIFIC attendees and sensor devices will placed in session rooms and the exhibit hall.
Partners for the Future:
Again, this year, we will continue the **Partners for the Future Program**, connecting Corporate Affiliates and students at the AAPM Annual Meeting. Students will have the opportunity to win a $100 Amazon gift card. Students will be given a “Get to know your Future Partners” card at registration. Each card will list questions provided by corporate affiliate partners participating in the program.

**NEW! Social Media Contest:**
Post a photo of you with any of the partners for the future to say thanks you and share with/tag the vendor and aapmstsc on Twitter, Instagram, or Facebook for a chance to win a $10 Starbucks gift card. Five winners will selected at random.

Students will be instructed to visit each participating corporate affiliate to learn about their company and to figure out the answer to the questions listed on the card.

Once a card is complete, drop it off at the AAPM Member Resources counter, located at the front of Hall A. In order to qualify, all questions must be answered correctly. The winner will be notified following the meeting.
