

June 3 – 7 | University of Vermont | Burlington, VT

IMPORTANT: All participants are required to bring a laptop, power cord and an ethernet connector. Power and an ethernet connection will be provided at every seat. Wifi is not a reliable method to connect in this classroom setting, so bring the appropriate connectors for an ethernet connection or you will not be able to complete the interactive labs. Be prepared to load files to your laptop **prior** to the school.

Packing list

- 1. Laptop (confirm your laptop has an ethernet port)**

- 2. Power cord**

- 3. If your laptop does NOT have an ethernet port, bring the appropriate adaptor.**
